

TEAM17 Status Report #10

Date: 10/11/24

Status Paragraph: We just finished a draft of our SQL file for our database. We will start to work on the next parts of our websites. This includes standardizing the website, implementing group chat features, getting data for clubs and professors, adding the APIs, creating login/sign ups, health sorting/liking feature, and the professor picker rating feature.

Accomplishments	Notes	Date
SQL file draft	A draft for the database for entire website	10/10/24

Plans (for next meeting):

- **Standardize website/Start implementing group chat feature for discussion forum**
