Connect Google Calendar to the individual clubs	Not committed yet	11/15

Plans (for next meeting):

- Make a way for admins to delete items on the page and make each page look different when user logs in.
 - Ameya
- Change it so only calculate ratings when needed, don't recalculate
 - Grace
- Save review in database
 - Grace
- Cat
 - Make admin page, where admins take requests to update clubs
- Alex
 - Continue to make the calendar look like a calendar, and display club location on map.
- Nelson
 - Adding likes functionality for health page
- Finish implementing search bar in professor picker departments, filter for course numbers. Start working on Event planner search bar

- Angela
