

TEAM17 Status Report #21

Date: November 26th, 2024

Status Paragraph: Continue working on assignments in preparation for user testing

Accomplishments	Notes	Date

Plans (for next meeting):

- Ameya
 - Make a way for admins to delete items on the page and make each page look different when user logins.
 - Fix map issue on event planner page
 - Display club location on the map
- Grace
 - Admin delete for professor picker
 - Anonymous function bug for professor picker
- Cat
 - Make forms input data into tables for needed approval
 - Healthpage fetching and displaying
 - Fix admin approval css
- Alex
 - Add favicon to website
 - Misc discussion forum bugs
 - Discussion forum make post function
 - Make homepage have an actual use and dynamically update between logged in and not logged in users
- Nelson

- Code for health likes has been implemented but testing is needed. Xampp has problems again
- Angela
 - Finish implementing filters for course numbers. Start working on Event planner search bar, Profile Page, Feedback Form, Footer

Blockers:

*****Notes:**

- Traveling home for break, so we didn't get much done since the last meeting
